

RESOLUTION NO. 2011-02

A RESOLUTION of the City Council of the City of Bainbridge Island, Washington, to Adopt the Kitsap County Comprehensive Solid and Hazardous Waste Management Plan.

WHEREAS, the Washington State Legislature, pursuant to the provisions of Chapter 70.95 RCW (Solid Waste Management - Reduction and Recycling), enacted legislation the purpose of which is to establish a comprehensive state-wide program for solid waste handling, and solid waste recovery and/or recycling which will prevent land, air, and water pollution and conserve the natural, economic, and energy resources of this state; and

WHEREAS, RCW 70.95.080 requires each county within the state, in association with the cities and towns located within it, to prepare a 20-year comprehensive solid waste management plan and to periodically update the plan according to Washington State Department of Ecology guidelines that interpret and expand upon the planning requirements of the Act; and

WHEREAS, the Washington Hazardous Waste Management Act (RCW 70.105.220-221) requires local governments to plan for hazardous waste, including used motor oil, generated within their jurisdictions by households and small quantity generator businesses, according to Washington State Department of Ecology guidelines; and

WHEREAS, the Kitsap County Comprehensive Solid and Hazardous Waste Management Plan (CSHWMP) establishes a comprehensive system of programs and facilities to reduce waste generation, increase recycling, direct valuable resources away from the landfill, maintain and improve levels of service in the solid and hazardous waste system, including the Olympic View Transfer Station, the Household Hazardous Waste Collection Facility, and Recycling and Garbage Facilities, as well as to continue to mitigate impact(s) of closed landfills; and

WHEREAS, the CSHWMP speaks to the needs of all citizens in Kitsap County in regards to solid and hazardous waste management and proposes action to satisfy those needs; and

WHEREAS, the Kitsap County Solid Waste Advisory Committee participated in each phase of the plan development and reviewed the drafts of the CSHWMP, and

WHEREAS, the CSHWMP identifies costs of carrying out the responsibilities and offers an implementation and financial plan, and

WHEREAS, the City of Bainbridge Island participated in the preparation of the CSHWMP pursuant to RCW 70.95.080 and Interlocal Agreement KC-184-08; and

WHEREAS, the City of Bainbridge Island finds that it is in the interest of public health, safety and welfare to adopt the CSHWMP pursuant to RCW 70.95.080;

NOW, THEREFORE, BE IT RESOLVED, that the City of Bainbridge Island hereby adopts the Kitsap County Comprehensive Solid and Hazardous Waste Management Plan, dated October, 2010, entitled "*Waste Wise Communities: The Future of Solid and Hazardous Waste Management in Kitsap County.*"

PASSED by the City Council this 5th day of January 2011.

APPROVED by the City Council this 5th day of January 2011.
