**Revision to Grow Community
Public Participation Meeting**

Bainbridge Community Development is proposing to revise the remaining 5 acres of the previously approved site plan review commonly known as Grow Community (SPR13551). They are proposing a Tier II Built Green Housing Design Demonstration Project, comprised of 86 multifamily units and a commercial building. The property fronts Wyatt Way and Shepard Way NW, and is bifurcated by John Nelson Lane.

6 - 8 pm, Monday, July 29
Bainbridge Performing Arts, 200 Madison Avenue N

The applicant is required to participate in this public participation meeting per the City's Public Participation Ordinance. For more information, contact Heather Beckmann, Department of Planning and Community Development, (780-3754).
