Subject: SMP vote!

I urge you to vote NO on the SMP this week. There are so many reasons the SMP as proposed does not make sense. Please allow the waterfront home owners the enjoyment of their property as they always have always done. I would ask, you use Kitsap Counties plan: Have only a single designation with common setbacks, don't reduce anyone's use of the property they own. Let's avoid the years of litigation that are on the horizon that could financially ruin the city. Please don't let this council be forever known as the group that caused the Island to once again be governed by the County..

Thank you,

Tom Klein
