Subject: Gordon Drive Properties: Comment on Proposed SMP

Gentlemen and Ladies,

Two of our neighbors on Gordon Drive in West Port Madison, Val Tollefson and Mike Bice, have drawn our attention to the fact that seven waterfront properties on Gordon Drive, including theirs as well as ours, remain identified as "Shoreline Residential Conservancy" on the maps accompanying the current draft SMP. For the reasons Val and Mike have outlined in their earlier letters to you, we also believe that it is unreasonable for these seven properties to be so identified.

Accordingly, we trust that you and your colleagues will correct this situation and that, henceforth, these seven properties will be identified as "Shoreline Residential", a category which is more in accordance with the present topographical configuration, vegetation and residential uses of these properties.

Sincerely,

Ed & Karen Kushner
