Subject: Leave property designation alone.

We have owned property on this island since 1968. I am shocked to learn your intent to change it to something other than I bought. ie, the property on the water at Pt White. . If you would take out our bulkhead it would result in your road of pt white drive falling in the Rich Passage.

Live and let live. offer to buy our property but this is a taking. \\\

We oppose your taking of any of the Island.
