Witnesses Sought in Injury Collision South of Agate Pass Bridge

BAINBRIDGE ISLAND, March 5, 2013 – At 2:09 pm on Monday March 4, Bainbridge Island Police and Fire units were dispatched to the scene of a two-car injury collision on State Route 305, just south of the Agate Pass Bridge. Upon arrival, officers found two severely damaged vehicles blocking both lanes of travel. The drivers of both vehicles were trapped and required extrication.

A witness to the collision advised that the southbound vehicle, a Kia Sedona van driven by a Bainbridge Island woman, had crossed the center line into the northbound lane of travel, striking a Lexus 4-door sedan driven by a Bainbridge Island man. The vehicles collided head-on, and the Lexus ended up partially over a guardrail. Both occupants sustained critical injuries and were airlifted for medical treatment. State Route 305 was closed in both directions for more than three hours for investigation and cleanup.

The cause of the collision remains under investigation. Witnesses to the collision are asked to please contact the Police department at (206) 842-5211.
