

## NARRATIVE

Unit 1 was travelling southbound on Madison Avenue at an apparently high rate of speed, approaching the intersection of Winslow Way. After proceeding south through the intersection, Unit 1 crossed over to the oncoming (northbound) lane and onto the sidewalk on the northbound side. Unit 1 continued on the sidewalk before colliding with a fence.

According to witnesses, the driver of Unit 1 was slurring his words. The driver got back onto the motorcycle and left the scene.
