

NARRATIVE

On 12/12/24, at approximately 0940 hours, I was dispatched by CENCOM to the intersection of SR305 & Seabold Church Rd for a report of a collision involving 2 motor vehicles.

I arrived on scene and observed a grey and white Ford F150 (Driver 2) pulled into the driveway of 14824 SR305 and a silver Toyota Corolla (Driver 1) in the middle of the intersection of SR305 and Seabold Church Rd pointed southbound.. The fire chief on scene advised that Driver 1 was in the back of the ambulance on scene and there was an additional ambulance coming for Driver 2.

I contacted Driver 1 in the back of the Bainbridge Island Fire Department's (BIFD) ambulance. Driver 1 said that she was traveling South on SR305 when she observed Driver 2 slowing down. Driver 1 she looked down at her radio to change the channel and looked back up to see Driver 2 was completely stopped in the road. Driver 1 said she did not react fast enough and collided into the rear-end of Driver 2.

Driver 2 said that he was pointed southbound on SR 305 and stopped in the southbound lane at the intersction of Seabold Church RD wating for the northbounf traffic to clear so that he could make a left hand turn. Driver 2 stated while waiting for traffic to clear he was rear-ended by Driver 1.

Driver 1's and Driver 2's vehicle both had reportable damage. Pictures of both vehicles were taken and later uploaded into Evidence.com. Both driver's were provided a business card with an exchange of information.
