

NARRATIVE

On 12/14/2024, at approximately 1159 hours, I was working uniformed patrol in the city of Bainbridge Island when I was dispatched to 131 Parfitt Way SW, as the reporting party, (later identified as [REDACTED]), wished to report that his vehicle had been struck while legally parked on the public roadway.

I arrived at approximately 1231 hours and met [REDACTED], who explained that while he visited the business at 131 Parfitt Way, his parked rental vehicle had been struck by another car backing up. [REDACTED] became aware of this as the driver of the vehicle that had struck his had left a note with their number. [REDACTED] verified there was front end damage to the vehicle and stated he then contacted the other driver. [REDACTED] stated the other driver provided their insurance information via text message.
