

NARRATIVE

At approximately 05:24 on 12/27/2024 I was dispatched by CENCOM for a report of a non injury motor vehicle collision involving a single vehicle into a tree near the intersection of Fletcher Bay Rd and Gregg Farm Ln. I arrived on scene at approximately 5:30 and observed a silver SUV partially blocking the northbound lane of Fletcher Bay Rd.

The vehicle (Vehicle 1) had struck several trees along the property line of 8340 Fletcher Bay Rd after the driver stated they had allegedly lost control of the vehicle as they were navigating the slight curve while traveling southbound on Fletcher Bay Rd. The driver of Vehicle 1, [REDACTED], stated that he had struck the front end of his vehicle into the trees along the ditch on the eastern shoulder of Fletcher Bay Rd, which caused his front end to become caught and the vehicle to slide in a counterclockwise direction until it came to a halt facing eastward.

The driver was unable to provide proof of valid insurance on scene, and was cited for failure to provide proof of insurance. The vehicle was towed by Kitsap Towing for LE Impound. I followed up and obtained contact information for the property owners at 8340 Fletcher Bay Rd regarding the damage to their trees. An exchange of information was provided to both parties via email.
