

NARRATIVE

On 11-22-2024 at approximately 2237 hours I was dispatched for a motor vehicle collision for a tree that had fallen onto a car.

I arrived on scene with Bainbridge Island Fire Department and Officer Benkert #820. The driver/sole occupant of the vehicle, [REDACTED] had already extricated herself from the vehicle and did not report any injuries.

Her vehicle (vehicle 1), a grey 2015 BMW X1 was in the southbound lane/shoulder on State Highway 305 between NE Koura Rd and Morgan Rd NE. A large tree had appeared to have fallen from the west side of the highway onto vehicle 1 while [REDACTED] was traveling southbound on State Highway 305. [REDACTED] stated that she slammed on her brakes but she could not remember if the tree had fallen and hit her vehicle, or if it had already fallen and she had just collided with it.

[REDACTED]'s husband arrived on scene took pick her up. We called Kitsap Towing for an impound for the vehicle, there was extensive damage to the front windshield and passenger side where the tree had primarily struck vehicle 1.
