

## NARRATIVE

Vehicle 2, stopped in the traffic lane at the intersection of SR-305 and Winslow Way, observed the traffic lane symbol turn green for local traffic. Vehicle 1, in the ferry lane, observed a traffic light turn green as well. The driver of Vehicle 1 was not familiar with the controls of the intersection and began proceeding straight through the intersection. Vehicle 2 began to negotiate a right turn onto WB Winslow Way believing all vehicles in the ferry lane were stopped. The front right of vehicle 2 collided with the left rear of vehicle 1 as vehicle 2 was negotiating his right turn. Damage threshold met on vehicle 1. No injuries.
