

## NARRATIVE

Driver 1 was at the mail drop-off on Bjune Dr. Driver 1 pulled out onto the street in front of Driver 2. Driver 2 became angry about this and felt he had been cut off by Driver 1. Driver 1 continued west on Bjune toward Madison Ave N with Driver 2 following closely behind him. Driver 1 claimed that Driver 2 was behind him driving erratically, swerving from side to side, and honking. The uninvolved witness corroborated Driver 1's claims. Driver 1 stated this worried him so he stopped in the road to let Driver 2 pass by. Driver 2 stated Driver 1 "brake checked" him and he was unable to stop fast enough and collided into the rear of Driver 1's car.

Driver 1's vehicle had damage on the rear lower part of the bumper.

Driver 2's vehicle had damage on the front bumper and hood.
