

## NARRATIVE

Vehicle 1 traveling South on N Madison Ave, approached a blind curve leading to the traffic signal at SR-305. After negotiating the curve, the driver of vehicle 1 observed that traffic had stacked due to a red traffic light. The driver applied the brakes but her foot slipped off of the brake pedal causing a low speed collision with the rear of vehicle 2 which was stopped for traffic. No injuries. Damage threshold met on vehicle 2.
