

## NARRATIVE

On 11/17/2021 at approximately 1655 hours, I was dispatched by CENCOM to State HWY 305 NE / NE Day RD E regarding a motor vehicle collision involving two vehicles. Bainbridge Island Fire Department arrived on scene, they determined there were no injuries and left before my arrival. Upon arrival, I contacted Driver 1 who stated she did not have any injuries and declined any medical evaluation. I contacted Driver 2 and passenger who stated they did not have any injuries and declined any medical evaluation.

Driver 1 rear ended Driver 2 approximately 1000 yards north of the traffic light at the location of State HWY 305 NE and NE Day RD E intersection. Driver 1 said she was driving in bumper to bumper traffic, she saw Driver 2 was slowing, Driver 2 came to an abrupt stop and she could not stop in time. Driver 1 did not have any damages to her vehicle. Driver 2 had damages on the back bumper, tail lights and possible right-side exhaust tip. Driver 1 was cited for BI-10.18.010 Inattentive Driving and explained she would be receiving a ticket through the mail.

I took pictures of both vehicles and later uploaded them into Evidence.com. I provided Driver 1 and Driver to my business card with the case number. Both vehicles were still drivable and left the scene.
