

NARRATIVE

On 11/24/2021 at approximately 0656 hours, I was dispatched by CENCOM to SR 305 NE/NE Seabold Church RD regarding a vehicle vs deer collision. Bainbridge Island Fire Department was on scene when I arrived.

I contacted the Driver. He stated he has a passenger and it is his 2-year-old daughter. He stated they are not injured and declined any medical evaluation. He was traveling northbound on SR 305 NE. At approximately 0655 hours, he was passing Seabold Church when a deer came from the west side of SR 305 NE and ran into his vehicle. The deer struck his vehicle causing damage to his front left bumper and driver side. The deer was deceased, a passerby stopped and pull the deer to the shoulder on the west side of SR 305 NE. His vehicle is still drivable, and he does not need a tow.

I took pictures of his vehicle and later uploaded them into Evidence.com. I provided the Driver with my business card and the case number. Driver left the scene. CENCOM informed DOT of the incient and for the removal of the deer.
