

## NARRATIVE

Vehicle 1 and Vehicle 2 were travelling north on SR305 and had just passed through the intersection with High School RD.

Vehicle 1 was in the right lane, Vehicle 2 was in the left. The two lanes merge into one approximately 100 feet north on the High School RD intersection. The right lane merges into the left.

Vehicle 1 attempted to merge into the left lane, but Vehicle 2 was in the way.

Vehicle 1 collided their driver side into the passenger side of Vehicle 2.

Both vehicles sustained minor damage.

No one involved was injured.

Both Vehicles left the scene under their own power.
