

NARRATIVE

Vehicle 1 was traveling South on SR305, they had been called in as a "reckless vehicle", their driving was described as, "hitting curbs, driving under speed limit, lane travel, on the shoulder, erratic driving, almost went into ditch" then was reported as having been in a collision.

Vehicle 1 was approaching the intersection with Day RD. Vehicle 2 was on Day RD, traveling west at the intersection with SR 305.

The light for north and south traffic was red, The Witness was in the vehicle directly behind Vehicle 1. They said that the light had turned red when there was approximately fifty yards between Vehicle 1 and the intersection.

Vehicle 2 entered the intersection on a green light and was crossing SR305 onto Day RD W.

Vehicle 1 continued south into the intersection and collided into the passenger side of Vehicle 2.

Vehicle 2 was spun approximately 180degrees by the impact.

Neither driver claimed any injury at the scene and declined to be seen by aid.

Vehicle 1 sustained moderate damage to their front end and was towed from the scene.

Vehicle 2 sustained moderate damage to the rear right side and was driven from the scene.

Both involved parties were provided an exchange of information.

Driver of Vehicle 1 was cited for not obeying the traffic signal.
