

## NARRATIVE

Driver of #1 pulled out from her private residence into the path of an oncoming roofing van (unit #2) that was traveling west on a paved but private portion of Sunrise Drive. Unit #1 had condensation present on the windows and driver's field of view was obstructed by a large hedge. Driver of Unit #2 advised that driver of Unit #1 was driving "too fast." Driver of Unit #1 was not present when officer arrived, but her mother (RO of the vehicle) was.
