

## NARRATIVE

Vehicle 2 was stopped for traffic on north bound SR305 with Vehicle following behind them. In the stop and go traffic, the Driver of Vehicle 1 claimed to have looked away from the road to organize things in the car while slowly moving forward. The driver of Vehicle 1 failed to see Vehicle 2 had come to a stop. Vehicle 1 collided into the rear of Vehicle 2, causing moderate damage to both vehicles. No occupants of either vehicle claimed to have sustained an injury at this time. Vehicle 2 was able to leave the scene under their own power. Vehicle one arranged for a private tow. The driver of Vehicle 1 was cited for inattentive driving.
