

NARRATIVE

Vehicle 1 was backing out of a parking space in a private parking lot. As vehicle 1 was backing, the driver observed vehicle 2 passing in the lane. The driver of vehicle began to apply the brake when her foot slipped and pressed the gas pedal. Vehicle 1 grazed the rear of vehicle 2 and continued to back until it collided with vehicle 3. The collision with vehicle 3 pushed vehicle 3 into vehicle 4. Vehicles 3 and 4 were parked and unoccupied. Damage threshold met on all vehicles. Driver of vehicle 2 complained of neck discomfort but declined aid.
