

NARRATIVE

DRV 1 fled from a traffic stop at a very high rate of speed, visually estimated to be nearly 100 MPH on a 30 MPH road, traveling northbound on Ferncliff Ave NE. DRV 1 turned off the headlights to his car to attempt to elude police. As DRV 1 approached the intersection of Ferncliff Ave NE and NE Byron RD his passenger's side tires drove onto the shoulder of the road, and VEH 1 drove over a curb at the intersection. VEH 1 then continued into the dirt berm at the northeast corner of the intersection.

I observed tire tracks on the grass in the shoulder indicating the path VEH 1 traveling. I did not observe any skid marks or skid pattern on the road leading to the crash location.

DRV 1 was arrested for several crimes after he fled from police on foot while I was attempting to locate him in the area.

DRV 1 complained of injury, but was cleared by medical aid on scene, and cleared again at the hospital before being booked in jail.

I observed all of the airbags on the driver's side of VEH 1 deployed during the crash. VEH 1 sustained significant damage to the front end of the vehicle, and minor damage everywhere else.

VEH 1 struck a stop sign owned by the City of Bainbridge Island, snapping the pole at the base.
