

NARRATIVE

At approximately 13:55 on 07/20/2022, Unit 1 was travelling northbound on Sportsman Club Rd and came to the intersection of High School Rd and Sportsman Club Rd. As the driver began traveling north through the intersection, the cyclist, Unit 2, emerged from the eastern side of the intersection from behind two cars and crossed quickly in front of Unit 1. Unit 1 swerved eastward to get around the cyclist, but still struck a trailer attached to the back of the bicycle with their driver's side rear tire. The driver of Unit 1 was unsure whether they had actually struck the cyclist at first, and called 911 after proceeding further North on Sportsman Club Rd.
