

NARRATIVE

On 06/28/2022 at approximately 0238hrs, CENCOM advised of an unknown injury collision in the area of Hidden Cove Rd and SR305.

I arrived at approximately 0241hrs and found both vehicles blocking the roadway and both were heavily damaged. After talking with both driver 1 and driver 2 they both said they were not injured. Driver 1 said she was on the west side of the Hidden Cove Rd and SR305 intersection. Driver 1 said she did not see Vehicle 2 approaching the intersection and she pulled out to drive North on SR305. Driver 1 said she did not have a valid license, she had a trip permit on her vehicle because her tabs were expired, and she did not have insurance. I gave Driver 1's information to CENCOM who advised Driver 1 was suspended in the third degree and had two outstanding warrants for DWLS 3 out of Kitsap County.

Driver 2 said he was driving home for work and was driving North on SR305 when Vehicle 1 pulled out from Hidden Cove Rd. Driver 2 said he braked as hard as he could, but it was not enough, and he stuck vehicle 1.

Driver 1 stated she bought the trip permit from a friend for \$50. Upon inspection of the trip permit it was not valid due to it not being filled out correctly, are issued by WA DOL and not for transfer, resale, or credits, the trip permit was invalid, and I confiscated the permit.

Both vehicles were not drivable and had to be towed from the scene.

I cited the driver for DWLS 3, driving with no valid insurance, failing to yield right of way.
