

NARRATIVE

Vehicle 1 was traveling north on SR 305 behind Vehicle 2 traveling the same direction. As vehicle 2 crossed the intersection with Madison Ave, they came to a stop for the backed up traffic. Vehicle 1, crossing the intersection, did not anticipate the abrupt stop for traffic and was unable to brake in time.

Vehicle 1 collided into the rear of Vehicle 2.

Both Vehicles sustained moderate damage.

Both Vehicles were able to leave the scene under their own power.

No persons involved claimed any injury at the scene.

Both parties were provided an exchange of information.
