

NARRATIVE

Driver of vehicle # 1 was originally west bound on Arrow Point Dr. and drifted off the right paved portion of the road. As he was backing onto the roadway he backed across the roadway and into a drainage ditch impacting a tree. The impact damaged the rear lift gate and shattered the rear window. Per the driver and the complainant the interior windows were fogged up limiting the vision of the driver. The driver of the vehicle was given the case number to this incident and directed to contact his insurance company.
