

NARRATIVE

On 03/11/2022 at approximately 1813 hours, I was dispatched by CENCOM to Winslow Way E / Ferncliff Ave NE (Bainbridge Island Ferry Terminal Parking Lot) regarding a motor vehicle collision.

I contacted Driver 1. Driver 1 stated he was driving westbound on the North end of the ferry terminal parking lot. He spilt a drink in his lap, quickly made a left turn to get in a parking spot to clean himself up, got distracted, looked up and saw a vehicle parked, tried to hit his brakes to stop and instead hit the gas. He struck the parked vehicle in the back driver side bumper causing damage to the rear and side of the vehicle. Driver 1 stated the vehicle was unoccupied at the time of the collision. Driver 1 left his contact and insurance information on the front windshield of the parked vehicle.

I spoke to the passenger with Driver 1 who confirmed Driver 1's statement. Both stated they did not have any injuries and declined any medical evaluation. I provided Driver 1 my business card with the case number.

I later spoke with the owner of the parked vehicle Driver 1 struck. I explained the situation to him and provided him my business card with the case number.

I took pictures of both vehicle's damages and later uploaded them into Evidence.com
