

NARRATIVE

Vehicle 1 was traveling northbound along State Route 305 behind Vehicle 2. The vehicle ahead of Vehicle 2 slowed to make a left-hand turn and Vehicle 2 slowed behind it. The driver of Vehicle 1 attempted to stop too late and collided with the back of Vehicle 2. The force of the impact spun Vehicle 2 around and it came to a stop in the ditch along the northbound lane of the roadway. Vehicle 1 came to rest in the ditch along the southbound side of the road. Both vehicles were severely damaged and had to be towed from the scene. The occupants of Vehicle 2 were transported by paramedics to the hospital. Witnesses 1 and 2 were traveling directly behind Vehicle 1 at the time of the collision.
