

NARRATIVE

On 10/12/2022 at approximately 0857hrs, CENCOM advised of a non-injury collision in the area of SR305 and Day Rd.

I arrived at approximately 0906hrs and contacted the parties involved. Driver 1 stated he had been in stop and go traffic and did not notice the vehicle in front of him had stopped and he rear ended vehicle 2. Driver 2 said that he had been looking at traffic ahead of him when he had been struck from behind and the collision from behind pushed him into vehicle 3.

I helped exchange information for the involved parties and impounded vehicle 2 because it was undrivable and the owner of the vehicle did not have the ability to pay for a tow.
