

## NARRATIVE

Driver of vehicle failed to make the 90 degree turn at the bottom of Wyatt Way onto southbound Eagle Harbor. The vehicle drifted wide on the turn, left the roadway and glanced off of a large power pole. The vehicle came to rest off the roadway just south of the driveway at 7198 Eagle Harbor Dr. EMS examined the driver and was cleared by them. BIPD Officer R. Norton interviewed the driver and administered SFST and the driver was placed under arrest for DUI.

The vehicle was impounded and towed by Kitsap Towing. A representative of PSE examined the transmission pole and said that the damage would not require replacement of the pole.

Once the car had been moved into the open, I took photos of the damage which I uploaded to
