

NARRATIVE

On 04/12/2023 at approximately 1700hrs, CENCOM received a report of a non-injury non-blocking collision on SR305 at Koura Rd. I arrived at approximately 1708hrs and made contact with both drivers.

Driver 2 said he had been stopped for traffic in the North bound lane of SR305 at the intersection of Koura Rd, when he was stuck from behind by vehicle 1. Driver 1 said she had been in the North bound lane of SR305, going slow for traffic. Driver 1 said had looked down at her phone charger for a split second and when she looked back up, vehicle 2 had stopped for traffic. Driver 1 said she went to hit her break but mistakenly pushed her gas peddle and then stuck vehicle 2.

I cited Driver 1 for inattention to driving.

Vehicle 1 was not drivable and was towed from the scene by Kitsap Tow. Driver 1 had AAA and arranged for the tow but Kitsap requested a tow impound form from me. For ease, I printed a impound form for driver 1 before I left the scene and before Kitsap arrived.
