

NARRATIVE

On 08/16/2023, at approximately 0815 hours, I was dispatched by CENCOM to 7160 NE Eagle Harbor DR regarding a single motor vehicle collision. Call notes stated a vehicle struck a tree and aid was being dispatched.

I contacted Driver 1 identified as [REDACTED]. [REDACTED] stated he was traveling westbound on Wyatt Way NW, [REDACTED] did not pay attention to his speed going down Wyatt Way NW hill, took the curve on NE Eagle Harbor DR too quickly, believed he was going to go off the right side of the roadway taking out a city portable speed sign, over corrected, and struck a tree on private property.

I contacted the Property Owner identified as [REDACTED]. [REDACTED] stated he saw the collision occur and provided the same statement as [REDACTED].

The registered owner of the vehicle identified as [REDACTED] arrived on scene and arranged for the vehicle to be towed. The vehicle appeared to be a total loss, pictures of the vehicle were later uploaded into Evidence.com.

Based off [REDACTED] statements, I cited [REDACTED] for Inattentive Driving. I was not able to provide [REDACTED] his ticket on scene as he was set to be transferred to the hospital by BIFD. I provided all parties on scene my business card with the case number.
