

NARRATIVE

Vehicle 2 was traveling south on SR305 approximately fifty yards south of the intersection with Day RD. Vehicle 1 was traveling north on Sr 305, approaching traffic stopped at the light for SR305 and Day RD. Vehicle 1 crossed into the south bound lane, and Vehicle 2 swerved to the right, to the west shoulder to avoid colliding with Vehicle 1. Vehicle 2 drove into a roadside culvert.

The driver of Vehicle 2, contacted the driver of Vehicle 1, who had pulled to the north bound shoulder. The driver of Vehicle 1 stated to the driver of Vehicle 2 that they had swerved into the south bound lane, to avoid colliding into the stopped traffic, that they did not see fast enough.

The driver of Vehicle 2 took a photo of the driver of Vehicle 1's driver's license, but it was illegible. Vehicle 1 had no license plates.

Upon LE arrival, Vehicle 1 left the scene before it was contacted.

The driver of Vehicle 2 claimed no injury at this time.

Vehicle 2 sustained damage to the four wheel wells, and minor front end damage. It was removed from the roadside culvert by Kitsap Tow, and was able to leave the scene under its own power.

The driver of Vehicle 2 was provided with a case number for the collision.
