

NARRATIVE

Veh 1 was traveling SB on Fletcher Bay Rd when it crossed the center line into the other lane of travel and into the left and shoulder where the vehicle struck a Posted 30mph metal sign. The vehicle then backed their vehicle up and left the scene. the driver stated this occurred around 11pm.

Vehicle pieces were found at the scene and traced to a VW. It was later found that the driver of this report brought in a VW Jetta to a repair shop with matching damage.

The driver was later contacted and admitted to hitting a pole, but did not know it was a speed limit sign.

The driver stated he would be paying for the damage of the vehicle to the owner who was a family friend. The driver would work with his insurance on paying for the damage to the city speed limit sign.
