

## **NARRATIVE**

On 1/23/23, officer spoke with a driver whose vehicle was backed into while parked at Winslow Green near the Pet Mercantile shop. They discovered the damage around 1630 hours on 7/22/23 and stated they had parked there for a couple of hours. A witness to the collision left a note on the car with the license plate number of the vehicle that had left the scene.

The witness was contacted by police, and they described the incident and provided a description of the other vehicle involved.

Police contacted the driver and took pictures of the vehicle, which had damage to the rear bumper consistent with the account of the collision provided by the witness.
