

NARRATIVE

Unit 1 was traveling North on Fletcher Bay Rd approaching the intersection with High School Rd. The driver of unit 1 advised that he was traveling at a speed of approximately 70-80 mph. The driver observed a set of headlights approaching in the Southbound lane and became worried that the lights belonged to a police vehicle. The driver attempted to reduce his speed but, in doing so, he locked his wheels and began to lose control of the vehicle. Unit one exited its lane and crossed the center line directly in front of unit 2. Unit 2 collided with the passenger side of unit one causing significant damage to both vehicles. Unit 1 is not equipped with airbags. Unit 2 had 5 airbag deployments. The driver of unit one and all four occupants of unit 2 were transported by aid to St Michael's. No significant injuries were expected.
