

NARRATIVE

A witness reported that on July 25th, 2023, at approximately 1300 hours, a person driving a Subaru was attempting to park in front of the Verizon store in the Safeway parking lot on High School Road. They misjudged the space between her vehicle and the unoccupied vehicle in the adjacent parking space, subsequently scratching the vehicle on the driver's side.

The registered owner of the vehicle was contacted and admitted fault.
