

NARRATIVE

Vehicle 1 was traveling west on Wyatt Way approaching the left turn where Wyatt turns into Eagle Harbor DR. Vehicle 1 lost traction while rounding the corner, and slid off the roadway on the west shoulder. The front end of vehicle 1 nosed down into a culvert and Vehicle 1 was unable to remove itself.

A passerby towed vehicle 1 out of the ditch.

Vehicle 1 had minor damage to the front end.

The occupants of Vehicle 1 claimed no injury.

The driver stated that they estimated their speed to be fifteen miles per hour over the limit, and that they were going too fast to make the corner.

The driver of Vehicle 1 was cited for exceeding a reasonable speed for the conditions.
