

NARRATIVE

On 6/26/23 an officer was dispatched to a non-blocking, non-injury motor vehicle collision that occurred on the 9200 block of Miller Rd NE in front of Modern Collision.

The officer arrived on scene and contacted the driver of Vehicle 1 who had been traveling southbound on Miller Rd NE. They explained that they were checking their mirrors and did not see that Vehicle 2 was stopped in front of Modern Collision, waiting to turn left while waiting for northbound traffic to pass. They explained that they then ran into the rear of Vehicle 2. Vehicle 1 has damage to the front bumper and hood.

The officer then spoke with the driver of Vehicle 2 who recounted the same details as the driver of Vehicle 1.
