

NARRATIVE

Vehicle 1 was traveling south on SR305 just south of the intersection with West Port Madison. A deer entered the roadway in front of Vehicle 1 and Vehicle 1 was unable to slow or maneuver without colliding with the deer. Vehicle 1 collided with the deer and sustained moderate damage to the front end. There were no injuries sustained in the collision. The deer was unable to be located upon arrival. Vehicle 1 was parked near to the collision scene while the renter contacts Uhaul to arrange a tow.
