

## NARRATIVE

Vehicle 1 was in the Diamond Parking Lot on Winslow Way facing West. Vehicle 2 was behind Vehicle 1 also facing West. A vehicle backed out of a parking spot in front of Vehicle 1, and Vehicle 1 backed up at a fast rate of speed into the front end of Vehicle 2

Driver of Vehicle 2 stated, after Vehicle 1 hit their vehicle, the Vehicle 1 turned northbound in the parking lot and exited onto Winslow Way, turning Westbound. The driver of Vehicle 2 stated the Vehicle 1 got stuck in the Westbound traffic on Winslow Way, cut into the Eastbound lane, against traffic in the wrong direction, to cut through the traffic and went through the intersection heading North on Highway 305. Vehicle 2 informed me this Toyota Tundra had rear end damage and had a license plate that started with the letter "C."
