

NARRATIVE

On 05/08/2023 at approximately 1526hrs, CENCOM advised of a possible injury collision on SR305 in the area of Day Rd. The vehicles were located on SR305 approxiamtely.25miles south of the intersection with Day Rd.

I contacted driver 1, who stated he was slowing for traffic but did not push the break hard enough and bumped vehicle 2. Driver 2 said she was stopped for traffic and ws bummed from behind by vehicle 1.

There was an impression of the license plate from the front of vehicle 1 on vehicle 2's bumper.

Both vehicle drove away from the scene without assistance
