

NARRATIVE

Vehicle 1 was traveling south on Madison Ave and intended to make the right turn into Jacolet LN. The Pedestrian was traveling north on the sidewalk on the south bound side on Madison Ave and was crossing the sidewalked intersection of Madison and Jacolet.

Vehicle 1 made their right turn onto Jacolet, and collided into the Pedestrian.

The pedestrian fell down, and struck their head on the pavement.

Vehicle 1 sustained no damage. The passenger side mirror was collapsed inward, but had no new damage to it.

The Pedestrian was seen by aid and claimed no injury at this time. They were transported by Aid to Saint Michael's Medical Center in Silverdale for an evaluation.

The driver of Vehicle 1 stated that they did not see the Pedestrian on the sidewalk when they made their turn.

The sun at the time of the incident was obstructing the south bound view.
