

NARRATIVE

Vehicle 1 was following Vehicle 2 north on SR305, passing through the controlled intersection with Day Rd.

North bound traffic was stopped just past the intersection. Vehicle 2 came to a stop for the north bound traffic. Vehicle 1 failed to come to a stop, and collided into the rear of vehicle 2.

The driver of vehicle 1 stated that their foot slipped off of the brake pedal.

Both vehicles sustained minor damage and were able to leave the scene under their own power.

Both parties denied having any injury at this time. They were provided with an exchange of information.
