

NARRATIVE

On 9-1-2024 at approximately 2332 hours I was dispatched to the Bainbridge Island Ferry Parking Lot located at 290 Olympic Dr SE for a 2 vehicle collision.

I arrived on scene and contacted the reporting party identified as [REDACTED] via his Texas driver's license. [REDACTED]'s vehicle was a black 2014 Dodge Ram bearing WA plate: [REDACTED] (vehicle 1). Vehicle 1 had damage on the mid passenger portion of the vehicle.

[REDACTED] showed me the a vehicle he was parked next to that he hit when trying to pull out which was a red 2012 Toyota Tacoma bearing WA plate: [REDACTED] (vehicle 2). This vehicle had damage on the front bumper and front driver's side. [REDACTED] explained that he was backed into the parking space on the driver's side of vehicle 2. [REDACTED] stated that he was pulling out of the parking space turning right towards the parking lot exit and turned too early side swiping the front driver's portion of vehicle 2.

Photographs of both vehicles were taken and later uploaded to evidence.com.

Vehicle 2 was parked and unoccupied, but the owner [REDACTED] (identified via his Ohio driver's license) eventually showed up on scene. An exchange of information was completed and provided to both parties.
