

## NARRATIVE

Vehicle 1 was traveling southbound along State Route 305 behind Vehicle 2 just south of the intersection with Hidden Cove Road. Vehicles 1 and 2 slowed for traffic ahead. The driver of vehicle 1 reported he saw the brake lights go off and believed the pace of traffic was about to pick up. The driver of Vehicle 1 turned around to tend to his toddler in the back seat and rear-ended Vehicle 2 causing damage to the rear of Vehicle 2 and to the front of Vehicle 1.
