

NARRATIVE

On 9-24-2024 at approximately 2017 hours I was dispatched to a single vehicle collision with a deer near 5232 Lynwood Center Rd NE.

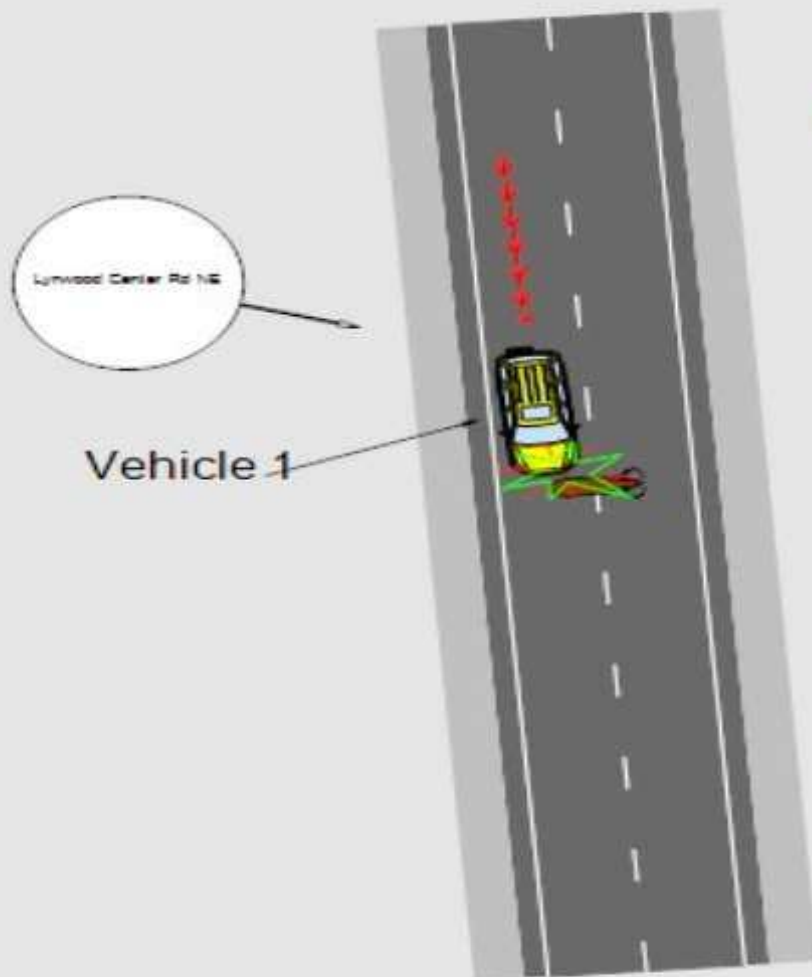

I arrived on scene where vehicle 1, a gold 2006 Toyota Highlander bearing WA plate: [REDACTED] was on the shoulder of the road facing southbound off Lynwood Center Rd NE.

I contacted the driver identified as [REDACTED] via his WA State Driver's license. [REDACTED] stated that he was traveling southbound on Lynwood Center Rd NE when a deer came out off the shoulder from the westbound side of the road. [REDACTED] stated that he hit the deer with the front of his vehicle, but the deer continued to run off.

I observed the damage to the front of vehicle 1 on the front bumper and front head lamps. I noted that there appeared to be deer fur in various locations where the damage was. Photographs were taken and uploaded to evidence.com by Corporal Kazer #808 who was also on scene.

The passengers in vehicle 1 were [REDACTED] and [REDACTED]. Both [REDACTED] and [REDACTED] corroborated the statement given by [REDACTED]. [REDACTED]'s father [REDACTED] (registered owner of vehicle 1) had also arrived on scene to assist [REDACTED].

All occupants of the vehicle reported that they were uninjured.
