

NARRATIVE

On 01/13/2024, at approximately 1944 hours, I was dispatched by CENCOM to SR 305 / Madison Ave N regarding a two vehicle collision.

Driver 1 stated she was pointed eastbound and stopped at the light on Madison Ave N at the intersection of SR 305. Driver 1 stated her light turned green, she proceeded to make a left hand turn onto SR 305 to continue northbound, and struck Driver 2 with the front of her vehicle. Driver 1 stated when her light turned green, she made her turn, and was not paying attention to what the other driver was doing. Driver 1 understands now that she must yield to traffic in this situation and was shown the sign that is on display in the intersection. Driver 1 failed to yield the right way to Driver 2 in the intersection and was issued a ticket through the mail for BI 10.18.010 Inattentive Driving. I provided Driver 1 my business card with the case number and an exchange of information.

Driver 2 stated he was pointed westbound and stopped at the light on Madison Ave N at the intersection of SR 305. Driver 2 stated his light turned green, he proceeded westbound to cross the intersection of SR 305, and was stuck by Driver 1 in the intersection who was making a left hand turn. Driver 2's vehicle was not drivable. Driver 2 called for a tow, Kitsap Towing arrived, and towed Driver 2's vehicle away. I provided Driver 2 my business card with the case number and an exchange of information.
