

NARRATIVE

Unit 1 was travelling northbound on Sunrise Drive and was exceeding a reasonably safe speed. Unit 1 failed to negotiate the lefthand curve onto Lafayette and collided with a guardrail, resulting in major damage to the vehicle and multiple airbag deployments.

The driver of Unit 1, [REDACTED], said that he was travelling too fast and was unable to brake before the curve [REDACTED] suffered no apparent injury in the collision. I issued [REDACTED] a notice of infraction for exceeding a reasonably safe speed (RCW 46.61.400) under the given conditions.
